Click into the beginning of Attorney Ron Chapman's series here about Epstein.

I have not said much about Epstein because I am so sick of hearing stories from the internet about how he misused and trafficked teenage girls who were in my opinion OLD ENOUGH TO KNOW BETTER. When I was young and beautiful my employment agency tried to traffic me into the system but I quit once I knew what they were attempting to do. One invite to an elite party told me all I needed to know and I quit my job. Other employers of mine were also unscrupulous, not many but I was old enough to know better and quit. I also see these girls as women who tried to suite Epstein to make money after Jewish lawyers got involved with them. This is all a sort of COVER STORY to cover up what Epstein was really into.

There are specific subjects that I choose to write about. My interest in Epstein is not the petafile gossip monger chatter. I want to know how he fits into the NWO DEEP STATE Ashkenazi Zionist and Merovingian (ASM) movement which is where his protection is coming from.

What you find when you DIG DEEPER is that Epstein was essentially part of the NWO data collection systems to take down America and create files on all of us and for the MARK OF THE BEST systems they are installing. He is obviously a bloodline descendent of the ASM **Zionist** movement that will lead to the Gog Magog War soon. He was working to take down America and to install the ASM **Zionist State as is Bill Gates, Mark Zuckerberg, Karl Schwab** and the lists go on and on.

The CIA has now moved to their new address in the underground bases of Denver Airport
The sinister murals tell the entire NWO plan, but nobody seems to notice or care.
FEMA will set up continuity of government here if their plan to topple the US succeeds.

The dead girls represent the death of Africans, Native Americans and the death of Jews and Christians

Denver Airport Hidden Symbols –

## I WILL US THE DENVER AIRORT NWO MURALS TO ILLUSTRATE MY POINT below

When it comes to Children of the World Dream of Peace being reversed, we are shown that a great evil was previously driven out of society and society is currently working together. However, the second section of the mural shows that evil has come back to society and might destroy it.

Epstein was involved in EVERYTHING. He was involved in technology to steel our elections, use various methods to

persuade the thinking of the Sleeping Sheep their way and to control and dumb us all down for the take over.

They believe that we are useless organism's that need to be washed away much like cancer.  We are the parts of a fish that need to be washed away before you can fillet the fish.

This is the group who wants to kill us all off in various ways in order to control the world under their NEW WORLD ORDER.

Denver International Airport holds some deep dark secrets
The Denver International Airport is a strange conglomeration of anomalies and underground tunnels. One of the first sign that there's something strange afoot a DIA is the system of grotesque murals and sculptures situated around the airport that contain images of depressing content like dead children, women carrying dead babies, the destruction of cities and forests, poisonous plants, dead animals and oppressive soldiers, all depicting scenes of negative portent with ominous tones. According to symbologists, many of these works of "art" and gargoyles are comprised of Masonic imagery and symbols of secret societies that supposedly trigger certain kinds of thoughts and emotions.

Epstein and the DEEP STATE believe that human intelligence is dead and that soon robotic and artificial intelligence will soon take over. Epstein's associates were eugenicists who all shared the same views. They are modern day intelligent

Nazi’s who want their alien hybrid bloodlines to survive where the rest of us will die as useless eaters.

THIS IS A MODERN DAY NAZI EUGENETICS PROJECT

They want to kill off our Scandinavian Mitochondrial Mothers bloodline who we are all related to and keep their alien human hybrid bloodlines alive on earth to run the world.

PEACE
PAZ

QUETZAL

They claim that they want a ONE WORLD ORDER and RELIGION where everyone lives together in peace and harmony but what they don't tell you is that the general public will be killed under their watch, while the American Dream will be sucked into a dark portal and Anubis Babylonian Annunaki Alien ideologies will reign instead.
